Grades

9-12

Objectives

Students will; 1) become involved in one of the Keep Athens-Clarke County Beautiful Adopt Athens programs adopting a spot in or around their school; and 2) Students will learn about the importance of volunteerism through active involvement and responsibility to a community improvement program.

Method

Students and/or teachers will contact Keep Athens-Clarke County Beautiful to receive information about program initiatives Students will receive application form and will meet with KACCB Director to discuss available locations and program criteria.

Materials

Materials will depend on location selected for adoption. KACCB has resources available for students to borrow for maintenance or planting purposes.

Vocabulary

Adopt Athens Program

Procedure

1. Specific classroom or extracurricular organizations can get involved and join the efforts to keep Athens-Clarke County beautiful! As part of the Adopt Athens Program, Students make a commitment to helping beautify our community through clean-up efforts. Available programs include Adopt-A Highway, Adopt-A-Stop, Adopt-A-Stream, etc. Students could even adopt their school campus and schedule clean-up events throughout the year. Student organizations and classrooms must have an adult representative.

2. Students will contact Keep Athens-Clarke County Beautiful to receive an Adopt Athens Application.
3. Students will contact Keep Athens-Clarke County Beautiful Director to schedule a presentation to discuss potential sites, explain program criteria, and discuss ideas associated with community service and volunteerism.
1. Students will complete application form and send to Keep Athens-Clarke County Beautiful for approval.
2. Once approved, appropriate ACC representative will meet with group and discuss [planting design or maintenance schedules.
5. Students will develop activity schedule Based on the needs of the location selected.
